

Support

CHD AWARENESS WEEK

FEBRUARY 8-14TH

FACTS ON CONGENITAL HEART DEFECTS (CHD)

- #1 Birth Defect
 - Over 40,000 babies born annually nationwide
 - 1 out of every 100 children are born with a CHD
 - 35 types of CHDs are identified

What can you do to help?

Organize a "jeans" day or dress down fundraiser at work during the week of February 14th. All donations collected will go towards helping families in Little Hearts whose child was born with a congenital heart defect.

Thank you for your support!

www.littlehearts.org

We are a national non-profit organization offering support, networking, resources and hope to families affected by congenital heart defects. Our mission is to offer support to families affected by congenital heart defects through our support services and to promote public awareness for this #1 birth defect.

We are a tax exempt organization under section 501 (c)3.
